You are truly a doll I had
never had quite as sweet a friend

SEAM-BULGING, with almost 2000 students, LHHS took on a new look, but with the same wonderful school spirit. This is some of the mob on its way back to class after a noon pep rally.

Ahoy Maties

WE HAVE SELECTED A PIRATE THEME to express the adventures experienced in the treasured fields of education and extra-curricular activities at LHHS.

These treasures of our high school days are bound in our 1959-60 Hieland, a treasure chest of memories.

NEW TRADITIONS come to the fore too. Here is Mr. Sjostrom cleaning the school plaque; if anyone steps on the emblem, he washes down the deck.

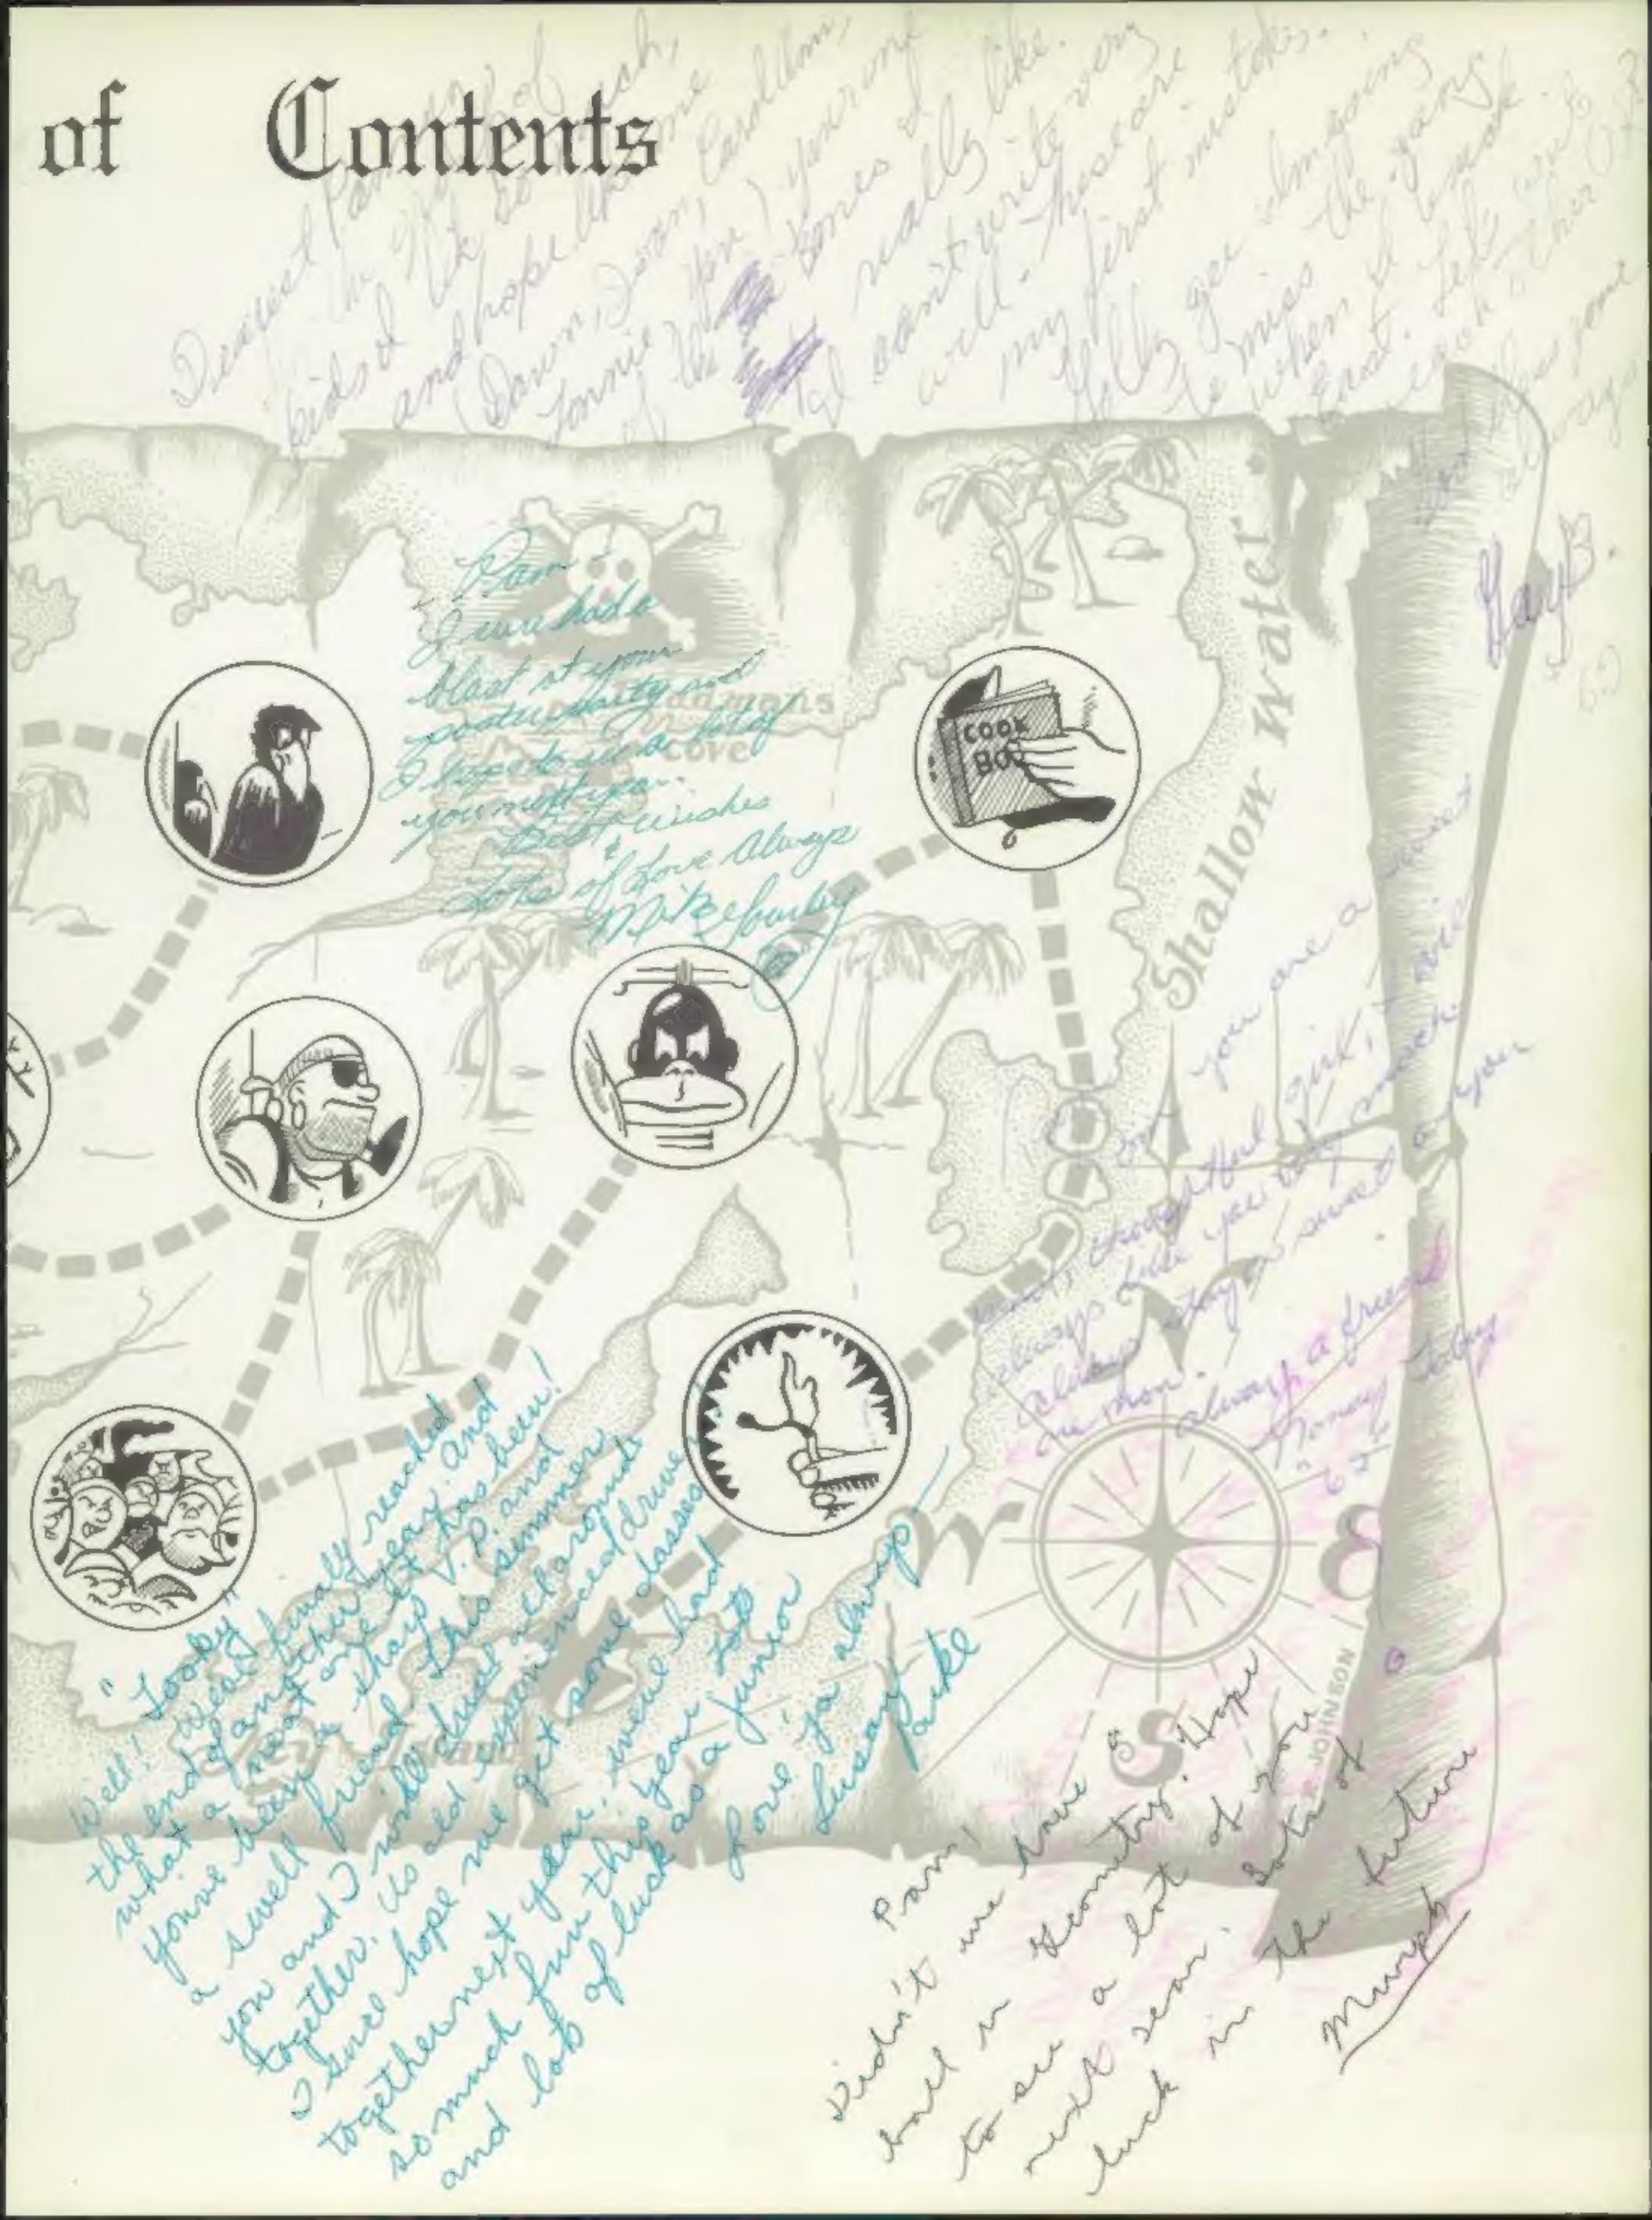

MODERN FAÇADE, overlooking La Habra, stands as an emblem of ever forward-looking education.

A black and white cartoon illustration of a man with a mustache and a crown, holding a large, ornate key. He is looking at the key with a thoughtful expression. The background is filled with green cursive handwriting that reads: "From last year we were best of friends but lately we've been at each other's throats. Well anyway."

A hand-drawn illustration featuring a black and white striped lollipop, a pencil, and a chain. The drawing is signed 'Peggy' in the bottom right corner.

Student Body President
from White

CUMULATING FOUR years of voluntary work in the field of public service to
make the world a better place to live in, the author, a 21-year-old college student and
former president of the Student Body of the University of California at Berkeley, has
been elected to the Board of Directors of the World Health Organization. The
organization, which is the health arm of the United Nations, is charged with the
task of improving the health of people throughout the world.

in one group at LHHS made up this year's cabinet.

Meeting once a week to discuss student body affairs, this group also has the power to validate or veto any Senate proposal.

Mr. A. W. F.

DURING ITS FIRST COMPLETE YEAR the Ethics Council did much to improve standards at L. H. High. Students who violated \$100 fine were taken before the Council where they were given 10 to 15 minutes to make an excuse. The Ethics Council had two part-time duty from each class by co-chairs chosen in the Council. It was elected by an all school election. Bill Jackson proved to be a very worthy leader for his class. He did a fine job either as a member of the Ethics Council or as a teacher in the last 13 schools in California.

MANY JOBS WELL DONE were accomplished by the Senate under the leadership of Jack Amon, Student Body Vice-president

PROMOTING SCHOOL SPIRIT AND HELPING FORMULATE STUDENT POLICY are two of the functions of the leadership class. Some of the year's projects were: various fund drives (United Fund and AFS), helping with a reorganization plan for the La Habra Boys' Club, the Student Directory, Economy Run, Student Safety Week, Conferences, help with various dances, assemblies and graduation, Student Day in the City, Student

Day in La Habra High School, sale of Student Body Cards, an activities study survey, organization of the Dance Club and orientation of new students.

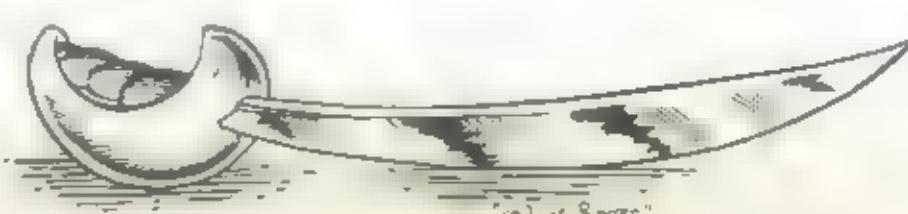

Evidence of the popular support given this class by the Student Body is the phenomenal percentage (93%) of Student Body Cards sold here. LHHS has the highest percentage of \$8 sales in Orange County.

UNITED FUND DRIVE was among the various projects of the Leadership Class. Freshman class President Mike Meacher accepts first place trophy from Charlene Smithers and Chuck Bartok, drive chairmen.

LEADING THE LEADERS was Mr. Cliff Sjostrom, Director of Student Activities. Mr. Sjostrom was also advisor for the Cabinet and the Senate as well as the OC.

Back row (l-r): Tom Hardy, Ramona Fruve, Karen Nelson, Joan Brumley, Don Haight, Sandi Schneider, Arlene Toloya, Joan Everson, Jim Mitchell. Second row: Loren Wadman, Don Cox. Front row: Teddie Gould, [unclear], [unclear], Charlene Smothers, Mary Lee Woody, Ann Herity, Kathy O'Mara, Susan Park.

DON COX, IOC PRESIDENT, led the group through the years.

COORDINATION OF CLUB ACTIVITIES was an important job of the IOC. Above, here are several members looking over the master calendar.

BEING THE MOST IMPORTANT WAY CLUBS ARE LINKED TO THE CABINET, the IOC performed many duties to better LHHS. Under the capable leadership of Don Cox, the Inter Organization Council provided new clubs, coordinated the club

activities, and provided money making projects for the various clubs on campus. It was also the job of the IOC to regulate and levy fines on violators of the regulations set up by the IOC themselves.

OUTSTANDING! That one word has been used by many people to describe the Class of 1996 as a group. A person of excellent leadership from class officers and advisors like the Class of 96 has run up to impressive records. A lot of these achievements tell the story of what can be done.

PAKISTAN HOMES, AS WELL AS CUSTOMS, DIFFER from ours. Nikki tells us "In America you have modern devices. In Pakistan we have servants."

OFFICIAL AMERICAN HOSTESS for Nikki was Peggy O'Neal. Nikki lived as a co-ed for a year, even though she had never been one before.

Foreign

IT ALL STARTED when I found out that I was actually going to the United States. From that time onwards there was very little rest between shopping, packing and deciding what all I wanted to take in my 44 pounds of luggage. The trip over here was a lot of fun. Hardly got any sleep at all, but made up my loss of sleep on returning. Coming

Life here is very busy especially school life. I love watching football and basketball games, like them almost as well as cricket now. In school I hear of girl's "boyfriend" problems (fortunately we don't usually have any boyfriends back home), trying to make it in time for my US History class after PE, answering questions about my dress, and trying to get all my homework done usually takes care of my school days.

My free time is usually spent by visiting places like Disneyland and Knott's Berry Farm, writing letters home and trying to clean up my drawers which are always in a mess.

I know I shall always look back at my year in America as one of the most memorable years in my life.

BUSY AND ENERGETIC describe Mrs. Scaling. Besides teaching Civics and US History, she shouldered much of the responsibility of the G. S. League and helped them boost attendance at the Soccer F. O. "How about those different eye shades and that outfit?" She has been ever ready to give help and assistance and extends her help to, beyond the classroom.

Model I AND ALF

SOURCE OF INSPIRATION, head of the English department but never too busy to give "aid and comfort" to any student in need are some of the marks made by Mr. Frank. He has been a full school life . . . attending plays, the Drama Club, Caus at the Christmas assembly, and his part in Art programs (who will ever forget that walk By the Sea?) . . . Perhaps the finest touch of all was his manner of making English vital, living, and fun.

Our Town

PLAYING TO CAPACITY AUDIENCES, the senior play proved to

ton was faithful to Wilder's original idea . . . that of portraying the serene quiet of small town life. In the first act, one is given the history of the town, Grover's Corners, and is told something of the character of its citizens. The second act shows love in Grover's Corners characterized in the moving romance of George Gibbs and Emily Webb. In the third act, the Stage Manager takes us to the town's cemetery located on a nearby hill, where many of the good townfolk are contentedly awaiting complete understanding. A new member enters their midst — the young bride — Emily Gibbs. She is shy in the beginning and greatly wishes to return to life again and to live with her memories. She learns how futile it is to return. The past cannot be lived . . . living people, humans occupied with their petty . . . and small thoughts, know little of true joy and happiness. Truth can be found only in the future.

CLASS OFFICERS

Junior Class

LOOKING BACK ON THEIR JUNIOR YEAR, the Class of 1961 has much to reflect upon.

Of course, to keep the Junior Class so active they had to have a treasury full of money. Just as proven, that they not only enjoyed the social aspects of their year, but that they were also hard workers when fund-raising activities came along. They sold popcorn at football games, candy canes at Christmas, and cake at a fete sale.

And — look no back — it has been an outstanding year — a full year — a year to be remembered.

They have been a class of energy — one brought for the Seniors and another for themselves. They have been a class full of spirit — yelling at those (as in football games afterwards) and bursting out with their own "A" for Senior And Bow Tie Day. They have been spending time with the Junior-Senior Prom, the first of three so-called events.

Sophomore Class

STARTING OFF A MOST SUCCESSFUL SOPHOMORE YEAR, the class of 1962 took second place in the Student Body Card sales.

Probably one of the most unique accomplishments of this class was the publishing and marketing of a class newspaper. Responsible for this achievement was Tim Rock and his staff.

To raise money for class projects the Sophomores held a highly successful candy sale late in the year. Taking the theme of "Beatniks," the class sponsored a dance and play night for all Sophomores. Lonnie Detrick and her committee were responsible for the preparations; publicity chairman Jack Mapes encouraged the attendance.

CLASS OFFICERS. M

Freshmen Class

ENTHUSIASTIC PARTICIPATION IN ALL SCHOOL ACTIVITIES
has been the hallmark of this year's Freshman class. Outstanding leadership and fine spirit have been aptly demonstrated.

In conformance with the La Habra High tradition, they tried in every way to add to the spirit and success of LHH5. From athletics to scholarship, the Freshman class has shown its determination to do its very best at all times.

Food sales and other money making projects were also part of their busy schedule of activities. The officers and council planned a very successful class party in the fall, and a playnight in the spring.

With the help of their advisors, the officers, ~~and~~ I and class have laid a foundation which they can look back on in the future, and be proud of a successful starting year.

SUGGESTING WAYS TO FURTHER THE SCOTTISH THEME, and promoting an interest of the theme among the student body were the very important functions of the Caledonians.

As one of its projects the club suggested to the Senate committee authentic Scottish names for the corridors and library. The members also made money for our bag pipers and worked with the Dance Club on the Highland Fling theme. Whenever any question arose about our Scottish theme or the authenticity of some matter, the Caledonians could always be counted on for help.

FURTHERING THE SPIRIT OF UNITY AND FELLOWSHIP among the Highlanders, while encouraging high social and moral standards, is the goal of the LHHS Girls' League.

Sponsoring the Big and Little Sister Party, noon dances in Stirling Gym, assemblies, a November girl date dance, conventions, food sales, Mother - Daughter Banquet, and a special recognition service, were the main activities of this group during the year.

Girls' League is the only club on campus where the girls are automatically members. At the last assembly of the year special recognition was given to those girls who were outstanding.

HILARIOUS was a word that just begins to describe the Girls' League assembly. Here four girls are giving a skit to show the incoming fresh what was expected of them at LHHS.

NATIONAL FORENSIC LEAGUE is a club whose members have brought more fame to La Habra High than any other campus organization in terms of awards and distinction. This club was organized to develop forensic skills by training and competition in inter-scholastic contests and to develop good citizenship among its members.

Among the events in which members participated was a field trip to Los Angeles State College. In June the NFL held an annual banquet at Knott's Berry Farm. Numerous tournaments in which NFL members participated were held. Five members of La Habra High NFL are members of distinction which is the highest award a student may receive. Also Miss Wallace, advisor, received her Hall of Key — the highest award for a speech coach. Jim Mitchell placed third in Mock Trial summer. This was quite an honor for him and for La Habra the LHHS chapter of NFL the second highest in standing in the East Los Angeles District.

BEGINNING THE YEAR WITH A CONTRIBUTION TO SCHOOL SPIRIT, members of the Future Business Leaders of America club sold school pennants at home football games. But this wasn't the end of the projects for this club, they continued to encourage the members to participate in home, school and community activities.

The FBLA yearly service project was making cloth books of old Christmas cards for the children at the St Jude's Hospital. The largest project of the year was the annual Sweet heart Ball, which was acclaimed a huge success. At the end of March about a dozen girls attended the State Convention for future business leaders, held at Long Beach. In order to recognize the outstanding business students at LHHS, the club held Typing and Shorthand contests. Awards for the winners were presented at the end of the year at the annual FBLA banquet.

Refreshments of punch and doughnuts were served in the Corrective Gym which was decorated in a Scottish theme

PUTTING THEIR "CALL BOARD" INTO ACTION FOR THE '1959-60 YEAR, the Drama Department produced the rollicking farce, "Out of the Frying Pan." This play was chosen because it was felt that it would stimulate interest in dramatic activities on campus. Most of the work on this production was done by the Drama students.

The play for the year was an original, "The Dress," written by Mr. Monte Hart, director of the English Department. "The Dress," put on by the student body, is a story of three misses who mature and gain personal insight through tragedy. The Drama Department participated in one-act play tournaments held at Pasadena Playhouse and Orange Coast College. They also performed locally for various community groups.

GREEN AND INEXPERIENCED, the JV football team learned to enjoy the game and gained a knowledge in fundamentals. They worked hard to gain experience and a true Highlander fighting spirit.

No scores were kept officially, since the objective of the team was to learn.

Special mention goes to Steve Loy as best defensive player, sparkling and most improved player on the team. Best offensive team member was Jack Webb.

Other JVs showing promise for good varsity performances next year were Pete Hudson, Terry Wolts, Sam Spanneman, Dick Whitehead, and Mike Majors.

ROARING TO A FIRST PLACE TIE, the Bees posted a 7 win, 2 loss record. Puente forfeited a 1-0 victory, Rancho Alamitos fell 31-0, Anaheim edged the Clan by 7-6, Huntington Beach went down 13-0, and Fullerton dropped a 13-6 decision. The Bees took Western (7-0) and Santa Ana (19-12) before Newport surprised the title-bound Clan 33-19. Garden Grove went down for the count, 27-0, in the last game of the season.

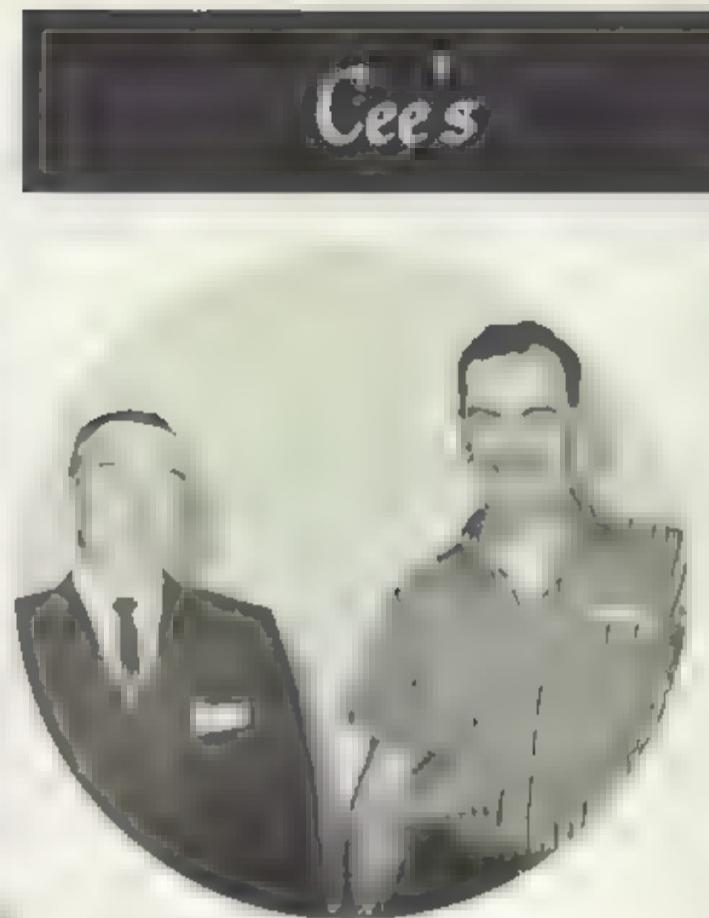

Best played games defensive - were against Garden Grove

Western and Anaheim. Best offensive games saw the Highlanders tangle with Garden Grove and Newport. Joe Quezada and George Kurigami got the nod as the most improved players, best lineman — Jim Greth, best defensive player — Barry Arnold, best offensive player — Derald Logue. Captain and most valuable player George West and co-captain Fred Meier led the Bees. Other Bees showing promise were: Fernando Moreno [war horse], Dan Richards (to plug that hole), and Terry Pitts [offensive center].

Cees

Gary Moeller Assistant Coach Pat O'Donnell Head Coach

TIEING FOR A SUNSET LEAGUE SECOND PLACE, the Cees comp led a 6 win, 2 loss showing winning four in a row. Rancho Alamitos 18-6, Anaheim 20-7, Huntington Beach 27-0 and Fullerton 22-0! The Clan lost the next two (Western 14-7 and Santa Ana 16-6). They finished their season by beating Newport 28-21 and Garden Grove 26-0. Harlon Chambers was the most valuable player and co-captain. He was the sparkplug with offensive signal calling and defensive play, averaging 13 tackles per game. Co-captain Terry Sutton was the workhouse for the team on offense, carrying the ball more times than any other player. Other Cees deserving mention are: Dwight Clark — opened up the holes for the ball carriers and was a good downfield

blocker. He was also a standout on defense. Mike Acker the man the team could depend on to pick up a yard when needed. Jim Lira — one of the hardest hitting players on the team. His blocking helped the Cees to a winning season. Mike Meusing — the team's two setbacks came when he was injured. He was a standout at defensive end. Tom Allison — his punting and defensive play kept the team spirit high. Ed Kennedy — blocking and hustle were outstanding parts of his game. Gary Lauerman — center play was outstanding. Reggie Martinez — his speed and pass receiving was what enabled the team to come up with some long gainers. Louie Molina — outstanding on defense. Best pursuit artist on the Cee squad.

Polte's poloists came within 15 seconds of winning the championship for the second year in a row, but they couldn't hold onto the ball, and Fullerton was able to tie the game up. It went into overtime, then was won by the rival Indians in sudden death, 6-5.

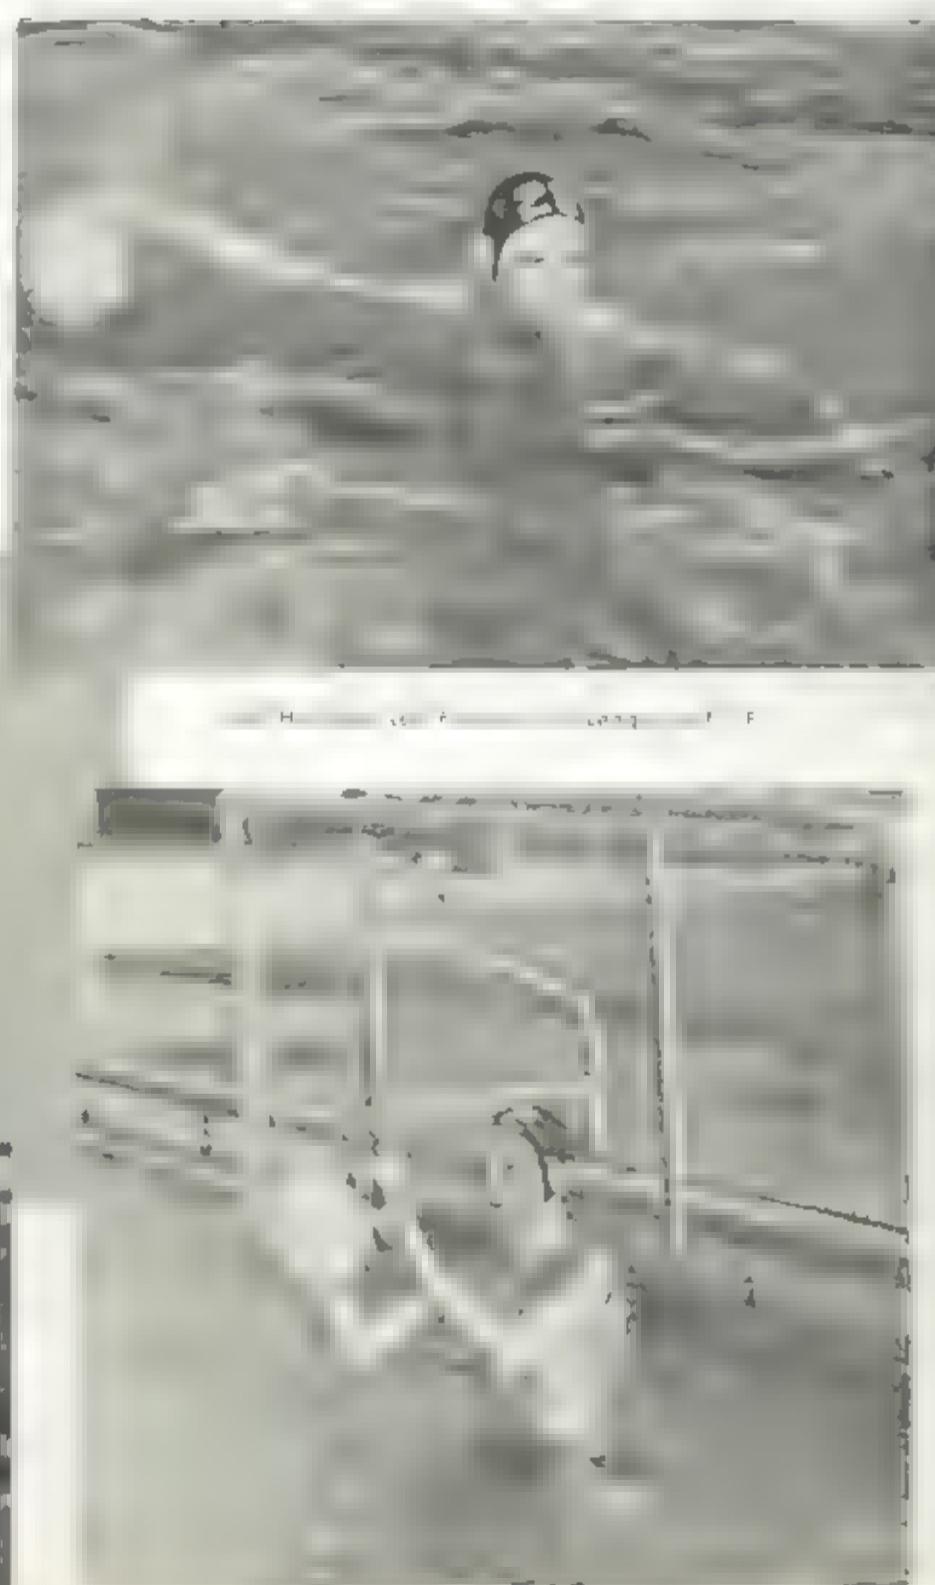

Led by senior left forward, John Halliday, who scored 35 goals to lead the team, the Clan marched to the CIF quarter-finals, where they were beaten by champion Whittier. LA HABRA'S GREATEST CAGE SEASON IN HISTORY OF THE SCHOOL

An 11-13 record was made this past season. In addition the Class finished an all-time high of 4th in the rough Sunset League with a 6-8 loop mark.

Having the best team ever was not the only all-time best La Habra High School had, as Billy Morris wound up his career as the top single season scorer in Highlander history with 421 points. Morris holds just about every school record, and ended up with the Sunset League scoring title as well, with 268 points and a 19.1 season average. He capped off his brilliant season by being selected on every All-League and All-County team picked by coaches and sports writers in the area.

While Morris took home all of the individual honors, La Habra also got a creditable performance out of 6-5 center John Halliday who had a 10 point average, and a total of 201 points, as well as being the teams leading rebounder. Jack Amon came through with 130 points to the cause, as well as getting the toughest defensive assignments.

Rick Rogers and Jim Cook give hope for the future, as Rogers is a very prolific scorer as his 12 point average indicated. Cook was a rough rebounder plus being tough on defense. Rogers is a junior and Cook a sophomore. Coach Tex Wallis expects both to improve and become the nucleus of next years team.

For Billy Morris, an All-Time La Habra great, and the other members of the team, this won't be a season quickly forgotten.

HISTORY WAS MADE BY THE LA HABRA JUNIOR VARSITY as they rolled up an unprecedented undefeated practice schedule of 8 straight. Getting 3 wins in the Sunset League and finishing 7th was also gained by first year Coach Keigm Harp's crew, as they ended up with a 10-11 season mark.

Leading the Junior Varsity was guard and top scorer Lynn Davidson, and the number two man Paul Elsworth. These two along with Tom Canfield and Pete Hudson, should see plenty of action on next year's Varsity. This year's team was made up of underclassmen and this should point to the fact that in future years the Varsity will be tough to beat. The material is certainly here.

WHILE THEY MAY NOT HAVE HAD A WINNING RECORD, Coach Don McIntosh, former California great, developed several players who should be a definite asset to the Varsity in a couple of years. Sophomore high scoring guards, Jim Greth, and Steve Strasser are being counted on heavily as well as center and rebounding star Jack Lichtenstein. Rounding out the first five were forwards Dave Barry, an excellent shot, and rugged rebounder Mike Avent.

This may not have been their year, but the players did get a chance to develop and in the future there will be a winner on the Clan campus.

LA HABRA'S CEE TEAM WOULD HAVE COME OUT ON TOP if only one round was played in the Sunset League, as Coach Gary Mieger's team had a 6-1 record. In the second round of League play the Clan had troubles and compiled a 8-6 final league slate, good for 2nd place, best standard yet by a Highlander Cee team.

Ruben Rameriz, who broke the Cee scoring record with a phenomenal 240 points, was the standout, but he was ably backed up by Harlan Chambers and Rick Moses. These three should move up to the Bee's and next year make them a title contender.

Ernie Polte, Coach

BREAKING RECORDS was the main accomplishment of the 1960 La Habra High School Varsity Swimming team. Not able to compete with other teams, because of a lack of depth, Coach Ernie Polte's finmen came up with several outstanding performers, all of whom will be back next year.

John Crow lowered two records, as he moved the 100 yard fly record to 1:02.5, and the 200 yard medley to 2:34.0. Wayne Brown chipped in with a 1:14.0 record in the 100 yard breast, and Bill Hamilton chopped down the 400 yard freestyle standard to a 4:39.0. The fine 200 yard medley relay of Jack Cooknell, Brown, Crow, and the lone senior, Don Haight, brought this record down to a 1:58.5. With two fine divers in veteran Dave Veatch, and rookie Ted Herlihy, the Clan should be tough to beat in the coming years, as the all important depth seems to be coming along.

FINISHING A SURPRISING SECOND. Coach Polte's 1960 Bee fin team broke many records. The Clan was paced by a record setting 200 yard medley team, of Don Abshear, Wayne Brown, John Crow and Byron Morris. These four lowered the record to 2:00.0, and provided the outstanding success of the season.

Crow also lowered the 100 yard fly record to 1:05.0, and fellow junior Brown knocked down the 100 yard breast-stroke to a fine 1:16.5. With these two outstanding swimmers, the Bee's also had freestyler Mike Gourley, Bill Gavan and backstroker Abshear. Moving up to Varsity next year, they should make the Highlanders one of the toughest teams in the league. From a fine Cee team will come replacements and an improvement upon the 5-2 loop mark is expected.

FANS REACT to another tough race

Vernon Blair Coach

OUTSTANDING FUTURE PROSPECTS were produced from this year's Cee team who should be of great help to the Bee team next year. Many new records were set, and the first to fall was the 200 yard medley relay, with a new time of 2:07.7. The four Clan swimmers in this event were Eddie Fisher, Bill Gavan, Carl Cooke, and Mike Gourley. Later Cooke came back to break the 50 yard fly record with a 30.0 timing, and then Abshear brought down the 50 yard backstroke time with a 32.2 clocking. Another star of the team, Eddie Evans, came through with a new 1:13.4 100 yard medley record, in what was probably the outstanding performance. Next year the Clan will be tough to match, with all of their young swimmers returning. Coach Blair, in his first year as coach, had a very enjoyable time working with the boys, and his goal will be a championship for La Habra next year.

INDIVIDUAL RECORDS highlight this year's varsity team. With a young team (mostly sophomore and juniors) Coach Wilson was predicting a third place Sunset League finish at deadline time.

Bruce Bess and Dale Murray make the best 1-2 mile punch in the school's history. Bess holds the United States record for the mile (4:20.5) by a high school sophomore and world's record for a 15 $\frac{1}{2}$ year-old. Murray was perhaps the most underrated performer on the team, due to the fact that he is running in Bess' shadow. He, too, was a great performer.

Bess also holds three other school records: Varsity 880 (1:59 1), Bee 660 (1:27 1) and Bee 1320 (3:18 5).

Seniors Smith and Maroon are outstanding in their field events. Smith set a new school record in the varsity pole vault, with a leap of 13 feet. Maroon tied the school record in the varsity high jump (6' 2 1/2).

Darrell Logue, a sophomore, was the top varsity sprinter. His time for the century was 10.1, while he has done the 220 in 21.9.

Top varsity marks at deadline time were: 100, Logue, 10.1; 220, Logue, 21.9; 440, Bess, 51.2; 880, Bess, 159.1; Mile, Bess, 4:20.5; 120 HH, Ruffalo, 16.5; 181 LH, Ruffalo, 20.4; Shot Put, Fodor, 45'; High Jump, Maroon 6'2"; Pole Vault, Smith, 13'; Broad Jump, Dileo, 20'6"; Relay, Dileo, Bess, Ruffalo, Logue, 1:32.0.

Varsity Tennis

EVEN THOUGH THE TENNIS TEAM MOVED INTO A TOUGHER LEAGUE this year, indications pointed toward a repeat of last year's success. Habra was one of the strongest of the eight schools in the league. As this story was written, Habra was already considered a power. An eleven-year record with Huntington Beach is the best proof. The team expects to repeat the Habra record. Freshmen talents like Tom Karp and Steve Weller will be the leaders of the year, along with the veterans.

FOLLOWING CLOSE IN THE VARSITY'S FOOTSTEPS the junior varsity also came up with a very fine season this year. Being a little stronger than the varsity the junior varsity was expected to finish the season with a little better placement in the standings. It will probably be a few years before La Habra will be able to put together as good a tennis squad as was assembled this year.

Pat O'Donnell, Coach

FIGURED TO BE IN THE THICK OF THE ALWAYS WILD SUNSET LEAGUE is this year's edition of the diamond crew. Coach O'Donnell's last-year-Freeway-League-champs were supposed to be hurting for pitchers, but at annual deadline time batting seemed to be the Clan's Achilles heel. George Kuragami turned in a sparkling no-hit game over Buena Park, to lead the Highlanders toward a second Consolation title in the annual La Habra Kiwanis tournament.

At press time, the Clan had an overall 5-6 record, and a 1-2 mark in league play. The win was over arch-rival Fullerton (the Indians lost by five feathers to one) and the losses to Huntington Beach and Anaheim by the same heart-breaking 2-1 scores.

Bill Williamson Coach

LEARNING THE FINE POINTS OF THE GAME, this edition of the Highlander JV team was slow in starting, but should be tough competition in the always rough Sunset League. Under the leadership of Coach Bill Williamson, in his first year coaching the sport here, outstanding prospects for future varsity teams were encouraged: Joe Quezada, Steve Strasser, Jim Greth and Terry Pitts.

Cabinet

PLANNED BY THE CABINET were sportsdays, interclass games, the banquet dance and the Orange County Conference. The officers plus the sports managers enjoyed the full support of the GAA membership in fitting the year with exciting and new events.

Hockey

OUTSTANDING PERFORMANCES WERE GIVEN BY ALL CLASSES IN HOCKEY this year although the rain during this season sometimes made the players feel they were playing water polo instead of Field Hockey. Juniors topped all teams losing only to the Senior Second team. Seniors lost to the Junior first team and tied with the Sophomore First team to place second. The Sophomores were close behind for third, and the Freshmen last. With the experience gained in this year's rounds, they should give a fine performance next year.

UNDER THE DIRECTION OF MRS. DORAN KOUGH, the La Habra High School Girls Swim Team have done very well this year. Three of the opposing schools showed very stiff competition and though La Habra was defeated, they had some tremendous fight. Scores in relation were:

La Habra	33	Fullerton	45

La Habra	57	Bueno Park	22
La Habra	51	Antioch	26
La Habra	38	Western	48

- Pam -

I can hardly tell you in this little account of space what your friendship has meant to me this year. You are a wonderful girl with a beautiful, beautiful ~~and~~ personality. Pam, no matter what you do you'll always be a success in it. I hope you can read between the lines because its awful hard to express how much I respect and admire you. I hope we'll always be friends and that I can give you ~~one~~ one of my classes next year. You must have a wonderful family if your mother and father are an example of what they are like. I wish you the best of luck always in all you do.

God Bless you
Always

LA HABRA'S NEWEST SPORT was activated after football season was over, and, as a result, had a very short schedule. Working with inexperienced boys, Coach Craven had, at season's end, the most improved team in the county and only one grappler is lost to graduation (Ron Allison). Artesia was the first meet; one devoted to learning and practice. The Clan took Garden Grove and Brea, while falling to Anaheim and Rancho Alamitos. Outstanding prospects are: Juniors Moretta, Richards, Meier, Clark and Cunningham; Sophomores Metzger, Pitts, Moreno, Kurigami and Schlain and Freshmen Peebles, Miller and Moke. Pitts, Allison and Moreno came within a whisker of getting divisional CIF honors, and they point up the fact that future foes of the mat-team had better watch their step.

I have four of La Habra's previous annuals lying before me on the table, each more outstanding than the one preceding. As I thumbed through these volumes, I realized how our 59-60 Hieland has excelled its predecessors through the stern but loving hand of Mr. Dunton, and the ever-present initiative of the Publications Staff. Each member may feel proud in knowing that he in his own way has contributed and assisted in the production and completion of one of the finest gifts a group of young people may present to his fellow Student Body and Faculty. Many thanks to Carol Jean and Mike for the fine method in which you handled our copy. You worked wonders with our captions, keeping each section organized and handy when we needed them.

My personal "thank you" to Judy Clow. Your section of faculty was a tedious one to plan and carry through.

Judy, Suzy, Sharleen, and Skip—each of you has shown through your Senior section how much our great class of "60" means to you. Your interesting arrangement has created another outstanding first in this volume.

Glenda, Judy Hamic, Nancy, Julie, and Sharon have spent many hours setting the pictures in the correct squares and corresponding the copy for the underclassmen. You are most deserving of a big "hand of applause".

The organization section is bigger and better than ever. The appearance of these pages reflects how Tami and Pat have put forth the best of their effort and ability.

Memories of our wonderful dances were combined by the nimble and responsible hands of Bonnie and Melinda. Lots of thanks.

For the eye-appealing arrangement in Activities, I owe a thank you to Jolean and Patti. You both have presented a terrific section through your creativeness.

The many exciting memories of our athletic games are united into one in Boys' Sports. Eddie, John, and Victor have upheld, through their section, the fine athletic teams and spirit displayed at LHHS.

Karen has done as well a job as Girls' Sports Editor. Working with a group of jabbering girls is hectic, but you come through with a section that we could be most proud of as I knew you would.

Roger, our Hieland Art Director, with the aid of John Landis, has provided the amusing and interesting art work throughout the annual. My special vote of thanks to you for presenting our theme so adequately.

Nona, Susie, and Jule—without your door to door salesmanship we would not have been able to produce such a super colossal annual. Thank you for working so diligently in advertising both in class and in your spare time.

Mr. Pray and Faculty we all owe you many sincere thanks for your cooperation in compiling our Hieland.

Our thanks to Hap Byers for the Christmas Formal pictures, La Habra Star for the action shots in Boy Sport, Eddie Johnson and George Murrell ————— Paino Studios ————— Photographers, especially GENE MALCOM, for their assistance in snapping the many pictures in this book for which we are most appreciative.

Having arrived at the end of our staff, I have one more note of recognition to give before closing. Although we certainly have had a fabulous staff this year, we could never have initiated such a prize book without the guidance, personal interest, and ever-present sturdy yard stick of our advisor, Mr. Bill Dunton. I know I am speaking for the entire class when I say to you sir, THANK YOU.

In conclusion, may I say being Editor of your Hieland has been one of the most rewarding and pleasant positions I have ever held.

Sincerely,
Stevie Strasser
